<tbody>
<tr>
<td>August 24th</td>
<td>Introduction to team</td>
<td>1. Ethics Review Paper&lt;br&gt;2. Ethics Presentation</td>
</tr>
<tr>
<td>November 2nd</td>
<td>Neurosurgery Country Framework- Part 2&lt;br&gt;<strong>South Sudan, Tanzania, Uganda</strong></td>
<td>1. Modeling Preparation</td>
</tr>
</tbody>
</table>

### Key Points for Fall Semester:

- Presentation assignments are due by the start of the following meeting. (i.e. Burundi Country Review Presentation is due September 21st.)
- Writing assignments are due by the meeting following your team’s presentation (i.e. Burundi Country Review Paper and Spreadsheet are due October 5th)
  - **Exception:** Ethics Presentation and Papers are both due September 7th
Assignment Overview

I. Ethics
   A. Paper
      1. 2-page argumentative paper supporting Global Surgery
         a) The specific question for debate is: Should high-income countries engage in
            collaborations/partnerships in the name of improving surgical care globally (i.e.
            Global Surgery)?
      2. Guidelines
         a) Arial, 12-pt, 1-inch margins, single-spaced, sources cited
   B. Presentation
      1. A 15-minute presentation arguing for or against global surgery
      2. Guidelines
         a) Google Slides, 10-15 slides to support your core argument, appendix slides to
            support responses to counter-arguments your team thinks you will encounter

II. Country Review
   A. Spreadsheet
      1. This will be a shared spreadsheet with the full Bass Neurosurgery Team. Rows will be
         the specific countries and the columns will be key details about your team’s country
   B. Paper
      1. 1-page country summary
         a) This paper is meant to provide a high-level overview of the key country-level
            aspects that will be important to consider when discussing neurosurgery
            development
      2. Guidelines
         a) Arial, 12-pt, 1-inch margins, single-spaced, sources cited
   C. Presentation
      1. A 20-minute presentation discussing the key facts about your team’s country
      2. Guidelines
         a) Google slides, 15-20 slides

III. NSU Country Framework
   A. Spreadsheet
      1. This will be a shared spreadsheet with the full Bass Neurosurgery Team. Rows will be
         the specific countries and the columns will be key details about your team’s country
   B. Paper
      1. 1-page country summary
         a) This paper is meant to provide a high-level overview of neurosurgery in your
            team’s country
      2. Guidelines
         a) Arial, 12-pt, 1-inch margins, single-spaced, sources cited
   C. Presentation
      1. A 20-minute presentation discussing the key facts about neurosurgery in your team’s
         country
      2. Guidelines
         a) Google slides, 15-20 slides
