

THE DIALOG LABORATORY: EXPERIMENTS IN GROUP COMMUNICATION

Writing 267S // Education 267S // Theater Studies 281S
Fulfills ALP & EI requirements

Tu 3:05-5:35 Spring 2024

Improve your communication with other people
Sit in a circle, talk every class, experimenting with communication
Set your personal goals, pursue them collectively
Applicable theories and concepts will guide you
(e.g., dialogism, perspectivism, philosophies of communication)
Build engagement & meaning across difference
Develop empathy & the capacity to hold conflicting perspectives

Taught by [Dr. David Landes](#), Thompson Writing Program
