THE DIALOG LABORATORY:
EXPERIMENTS IN GROUP COMMUNICATION

Writing 367S (ALP, EI)
MW 1:45-3:30 Spring 2023

Improve your communication with other people
Sit in a circle, talk every class, experimenting with communication
Set your personal goals, pursue them collectively
Specialized concepts will guide you
(e.g., dialogism, perspectivism, philosophies of communication)
Build engagement & meaning across difference
Develop empathy & the capacity to hold conflicting perspectives

Taught by Dr. David Landes, Thompson Writing Program
